

# Exceptional Academic Achievement at Riverside

Determination and hard work deliver outstanding ATAR results

We determine our Dux through the highest ATAR. These 3 students achieved atars of 97.45, 97.35 and 97.3.

DUX 97.45 ATAR

**ANDREA CO** (left) DUX of the School: achieved an outstanding ATAR of 97.45. She achieved 97/100 for the mathematics exam and achieved 3 band 6 results. After a short break from study Andrea intends to complete a Bachelor of Advanced Science majoring in Advanced Materials and Data Science. We are very proud both that as an international student Andrea has found a supportive environment at Riverside and her mentors on the teaching staff. Andrea credits her teachers of English ESL, Ms Peterson and of Chemistry, Ms Warzecha for her success and that they always challenged her.

**EMMA ROSS** (middle) was awarded the AA Scholarship for Academic Achievement from University of NSW. Emma received \$4,000 towards her course in Arts Law. Emma achieved a band 6 in 5 of her courses. She has a love of politics and intends to pursue this at university. For her commitment to public education and her contribution to the broader community, Emma received from Mr Anthony Roberts MP the *State Goodwill and Leadership Award*.

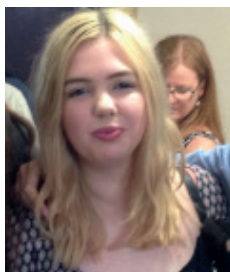

**KAITLIN LABRIE** (right) is a passionate sports woman and School Sports Captain for 2015. It is no surprise then that she will study a Bachelor of Medical Science combined with Bachelor of Business at UTS.

Exceptional major works in visual arts Polly Cooper was nominated for Art Express and the major work of Georgia Kenny is on display in the foyer.

GIRLS HIGH SCHOOL

## Young women following their passions

When in year 10 **Sian Sykes** (left) was awarded the Anzac Scholarship to Korea to represent NSW Public Schools. She was nominated by her history teachers for her love of history. She will be studying Law and Psychology at Macquarie University, being awarded early entry via the Global Leadership Program. Sian has contributed enormously to the school community through the Amnesity Club.

**Abinaya Prabahar** (left) has been awarded a Teacher Education Scholarship and teaching Cadetship from the Department of Education to become a secondary Science teacher. Abinaya's confidence has grown whilst participating in the Max Potential Leadership program sponsored by the Club X consortium of Ryde Clubs.

**Zuhaira Amin** (right) an outstanding School Captain. She has chosen to pursue education as a career. She wishes to inspire a love of learning in young children.

**Georgina Brown** (left) After many years of commitment to the school band program and the DET Arts Unit opportunities, Georgina was successful in gaining a coveted place at the Sydney Conservatorium of Music. She will study a Bachelor of Music Studies/Arts through "The Con" and Sydney University.

## The diversity of the paths our students have chosen: Our graduates include

Business women keen on commerce or business administration and one who will start her own graphics design company one day; other designers wanting to be architects; great advocates for social justice who with degrees in international studies may use their learning of a second language to be a diplomat and have an impact on international policy; passionate historians, those keen on studying psychology; amazing athletes who want to study human movement, those with exceptional skills to entertain, some IT nerds, successful scientists, talented mathematicians, and those wanting to be pharmacists and doctors.
